## Talking Prescriptions

Do you have trouble  
reading your  
prescription labels?

Now there's a solution!

## How does it work?

The pharmacy will attach a small electronic tag to your prescription container. It contains the same data as the printed label. Place the container on the ScripTalk Station Reader and hear the label spoken aloud.

## What does it cost?

As part of En-Vision America's Pharmacy Freedom Program, the ScripTalk Station Reader is supplied on loan to patients at no cost. This is a  FREE program.
